Charity Quilts

Margo delivered 15 baby quilts to Family Outreach last week. Pictured with two of those quilts is Sherry Coutain, the FOHC Education Administrator. They are very grateful for all that our guild does every year for the families that Family Outreach serves. (Additional pictures are on the last page of this newsletter.)

Charity Workshops

Being back home at OSV last month was great! We were able to accomplish a lot even with fewer sewers than normal. It was all about teamwork!!

Despite the rainy weather the spray basting team got all 24 Fostering Hope quilts done. Also, all 50 baby quilts were layered, sewn, turned and pressed. We even got some bead bags serged. The ice cream sundaes were pretty yummy too.

The **August 16th** charity sew starts at **9:00 a.m.** We again need lots of sewers! We have about 40 baby quilts to topstitch and quilt. If you can't bring a machine we'll have some pressing and cutting going on. Lots of flannel and homespuns to cut for kits.

President's Message

Hope everyone has had a great summer so far but before we know it Fall will be here. Once again this month we will be having a charity-sew. We could use all the help you as a guild have to give. There are lots of things to work on as Margo noted in her piece. Don't forget - there is ice cream!! Next month we have a speaker coming in, with a class following the next day. If you would like to join the class I think there may be one opening. Also, we need to start thinking about next year's elections and we will need volunteers to help with the nomination committee. I hope to see all of your smiling faces this month on the 16th.

Joanne Shropshire

Coming Attractions

At the **September** meeting we will learn all about Molas. The next day a class will be offered. There is one opening left if anyone wants to take the class. Contact Brenda Call if interested: 703-201-5775 or email at bltclrc@gmail.com.

The **October** meeting will be a flea market. Please, quilting related items only. There will be a \$5.00 fee per table. If you wish to participate but don't have tons of stuff, consider sharing a table with a friend. To sign up, call Brenda Call - 703-201-5775 or email bltclrc@gmail.com.

The number of tables will be limited so get right at it if you wish to clear out some of your things so you will have room for the new stuff you may purchase from fellow guild members.

In **November** we will have the program and class everyone is waiting for: Judy Lilly and her portraits. More information and class flier will be in the October newsletter, so look for it.
