

## BABY CHARM QUILT ON POINT

39"X 39"

Kit contains 50 – 5" squares, 4 – 4" x WOF border strips and backing approximately 41" x 41"

- Arrange squares in an appealing layout. 10 rows of 5 across. Space novelty squares throughout the top with other colors.

- TIP for sewing squares together: Squares may not all be perfect 5" size.. when sewing squares together, match along the left raw edge and sew on the right edge. Any differences in size will be taken up in the seam..  
Sew 10 rows of 5 squares across.

- Pressing – this is Extremely important so that your seams nest properly.  
Press seams in odd numbered rows to the left ← . Press seams in even numbered rows to the right → .
- Sew the 10 rows together to make one unit. Press all seams toward the top of the unit.
- Cut on the diagonal as shown in photo. —————

First cut starts at row 5. Cut toward upper right corner. Be sure to cut exactly through the intersections.

Second cut starts at row 6. Cut toward bottom right corner.

**A**

- Label cut sections A, B, and C as shown in photo

**B**

**C**

- Rotate cut labeled sections as shown in the photo. Put sections A + C together, Nest seams closely and sew Section A to C. Press seam toward Section C

**B**

**A**

**C**

- Match sewn section AC to section B. Nest the seams closely. Sew together. Press seam in either direction.
- Take great care when adding borders. Outside edges are now bias edges. Measure edges. Cut borders to measurement before pinning in place. Ease in any fullness.
- Add 4" borders to right and left side. Repeat adding borders to the remaining two sides.
