Welcome 2020

Carolyn Brackat

At the January meeting Carolyn Brackat will present a trunk show of her quilts. Carolyn's quilts reflect her African-American heritage and she will share their stories with us. Carolyn puts a lot of thought into her quilts as well as putting a lot of embellishments on them. This promises to be a very interesting presentation.

President's Message

It's a new year and so many make a New Year's resolution but for the past couple of years I have given myself a quilting challenge. It has been many things, from cutting anything less than a quarter yard cut down into Bonnie Hunter's scrap saver sizes, to using any cut-aways to make what I call second helping quilts. I have not landed on one for this year yet but I'd like to challenge you to think about doing one yourself. There are so many things we can do - from going through your stash and getting rid of that fabric you know you will never use, to making a charity item every month. Think about it. I know you are up to the challenge.

We also want to welcome back all our snowbirds.

Here's to a great new quilting year. We have some great programs and classes coming up this year.

Joanne

January 20th Program - Carolyn Brackett will be presenting a trunk show of her quilts.

As you can see by the pictures on the front of the newsletter, Carolyn has a very unique style. Maybe her creativity will inspire you to try something different.

After lunch, Maxi Lardiere is offering her Crumb Quilt class. Maxi doesn't waste an inch of fabric. She will share her techniques for using every snippet of fabric in a quilt. This class is our first Afternoon Alternative of the year and we hope you will take advantage of the opportunity to learn a lot for very little money. There are still openings in the class which is only \$15. Fliers and supply lists may be found on the website -

Sign up with DJ. Her info is on the flier.

Happy Villages Class - On Tuesday, January 21, Tina Roth will teach Karen Eckmeier's quilt, Happy Villages. Tina is already in town so she won't get cancelled due to a snowstorm (as Karen was last January) or cancelled due to a hurricane (as Karen was in September of 2018). The class will go on!! There are still a few openings for this class and we all know what great teacher Tina is. Join us!
