English Paper-Piecing

The focus of the September meeting will be on paper-piecing with Kathy Stuart. Kathy has done some amazing things with English paper-piecing and she is going to share some of her ideas and expertise with us. Sometimes it's nice to slow down and do some handwork. This program might just inspire you to give English paper-piecing a try. It could be something to do while listening to the TV.

After lunch Kathy will conduct a workshop on how to do this technique for all interested. For only \$15.00 you can learn a "new" old technique. The possibilities are endless. Join us. At this time there is space available in the workshop. Information is on the flier at the end of this newsletter. Contact DJ Stultz to sign up — 843-455-4904.

President's Message

Hello All:

As I sit down to write this newsletter, we are in midst of hurricane Dorian. I really hope you are safe and dry, and I pray we all continue thru this storm unharmed.

Our next meeting on September 16th will be our first meeting after the summer workshops. We really managed to get a lot of work done. Thank you to all the ladies that assembled, ironed, stitched, folded or strung bead bags. Margo always has everything organized so we can jump right in and get working. Thank you, Jan McGinty, for the photo collage showing our members hard at work.

At the September meeting, Kathy Stuart will show us some of her English paper-pieced quilts. After a short break she will show how to English paper-piece, to those ladies that signed up for this mini-class.

I am asking all board members to remain for a short time after our regular meeting for a board meeting.

I hope to see all of you on the 16th.

Kathy Aparicio

Notes from Jerre

To-Do List

- * Wear your name tag and a smile!
- * Please don't park in front of the mailboxes.
- * Bring show and tell — we want to see what you've been working on this summer.
- * Bring PHDs

September 16th Meeting —

In addition to Kathy Stuart's presentation we will have a Mystery Guest demo-ing another quick and easy pattern.

The new Fall Challenge will be introduced.

On **Tuesday, Sept. 17**, Karen Bennett will teach a quick and easy Bargello. There are still a few spots open in the class. See the attached flier.

COMING ATTRACTIONS

In **October** we are fortunate to have Sandy Fitzpatrick, of Hissyfitz Designs, visit us. If you don't have any idea who she is, look at her website www.HissyfitzDesigns.com to see her delightful patterns. Sandy's lecture will ask the question: Why didn't I think of that? On Tuesday, Oct. 22, she will teach her method for machine appliqué. If you've always been afraid to try machine appliqué, this is the class for you. We've chosen 6 patterns that we will order for those in the class. If none of them tickles your fancy, you will find many on her website you may select from and order yourself. See the attached flier.

In **November** we will have Round Table stations set up for you to visit to see demonstrations of various QAYG (Quilt As You Go) techniques. This promises to be interesting and informative.

Some of the busy bees at the August workshop.

SEPTEMBER AFTERNOON ALTERNATIVE

KATHY STUART

Do you need or want to slow down? Or, perhaps you want something small to take along that you can put in a purse? Maybe English Paper Piecing is for you! This is an easy and accurate hand piecing technique that used paper templates as foundations to create geometric shapes such as diamonds, triangles and hexagons. We will start with Grandmother's Flower Garden which is one of the most recognizable quilt patterns and, once you have the technique mastered, we will talk about other patterns that use this type of piecing. A kit of fabrics and paper pieces will be provided for this class, so you will only need needle, thread and scissors. Bring along a cup of tea and join us for an afternoon of "slow" quilting!

QUICK AND EASY BARGELLO

Karen Bennett

Have you always wanted to make a Bargello quilt, but are intimidated by the thought? Or, are you looking for a quicker/easier way to make another one? Do you have jelly rolls that are just languishing in your stash waiting for the right project? Or, maybe 2 ½" strips that you've cut and don't know what to do with them? You might even have special yardage you've been saving but are not quite sure what for. You may even want to get a head start on the holidays! Then this would be the perfect class for you. We will be making a lap size (50" X 61 ½") quilt based on one of our favorites—Jenny Doan and Missouri Star – so please join the fun.
