## Some Thoughts from the President

First, I would like to give a big shout out to all the board members for cheering me on, stepping up as needed, and being overwhelmingly awesome. I couldn't ask for a better group of gals to help me through these unknown waters. Their support and guidance mean the world to me. I would also like to thank all the guild members for their kind words and patients with me as I navigate to fill Elena's shoes. I am humbled... **continued on page 2**

The turnout for the Panel challenge was amazing! I would like to thank all who participated in the challenge. It was wonderful to see so many great designs. Your creativity is abundant and your donations are much appreciated! Thank you!

Next, I would like to thank Jerre Reese for taking the time to share her quilts with the guild. There is only one word that comes to my mind, SPECTACULAR! What a treasure trove of many different quilting styles and techniques, including her hand sewing, of which I am incredibly impressed. What a gifted quilter!

It is officially Fall and my favorite time of year to bake. Pumpkin pie, pumpkin muffins, pumpkin rolls and a pumpkin latte to keep you going. Whatever you love to do in the fall, I hope it brings you joy. Here is my favorite Pumpkin Cream Cheese Swirl Muffin recipe, just in case you're up for a fall treat: <https://thenovicechefblog.com/pumpkin-cream-cheese-swirl-muffins/>

**BOARD POSITIONS AVAILABLE:** Volunteering to be a board member is a great way to support our guild. If you are interested, please contact me and I will tell you what positions are available. See attachment to this newsletter for Officers and Chairpersons contact information.

I am super excited to hear our presenter, Carol Oldroy, speak on color theory at this month's guild meeting on October 19th. Some of you asked me at my trunk show how I choose my fabric colors. While I could only tell you that I know what I like, this is going to be the gal who can tell you how to do it... so bring your notepad.

As a reminder, we will be collecting cash donations for the Low Country Food Bank in Elena's memory. Cards will also be available to sign. I know she would have loved this. One last thing... as I was going through all of Elena's Presidential things, I found a Halloween Quilt pattern. How perfect that she left it for us. Before we pick the winners for the 50/50 and fat quarters, I will pick to give away the Halloween Quilt pattern. It's a buck a ticket, so bring a few extra bucks. All proceeds will go to the guild. FYI, the quilt pattern includes all the bottle labels.

Looking forward to seeing you all on October 19, 2026!

September's panel challenge was totally awesome! I'm sorry if you missed that meeting. 25 beautiful panel challenge quilts were turned in and every one of them were "sew" creative. Thank you all for accepting the challenge and helping us clean out the storage unit panel drawer. All your hard work is much appreciated!

Along with the panel challenges, another 27 completed quilts were completed and sent to Fostering Hope (FH). That makes a whopping total of 52 quilts donated to FH last month. Many thanks to our wonderful quilters...longarmers and regular quilters for making this the biggest haul ever! Also, we'd like to thank Jill Haynes for treating us to root beer floats. They were yummy!!

**Bead Bags:** We did it! I believe all 100 bead bag kits handed out at the August workshop have been returned. The bead bag bottoms have been serged and they are now ready for cording, which we plan to do during or after the October meeting. If you'd like to help, see Cathy Story. Many hands making light work!

**Kits & Quilts Ready for Quilting:** We have many quilts ready for longarmers and spray basted quilts ready for the taking, as well as our usual array of kits too. Please come and get em'.

# Programs

Joanne Shropshire

Program for October is an outside speaker. Some of you may know Carol Oldroyd. A few of us have known her and her wonderful work since Quilters Cottage. She will be doing a hands-on program about color. **THERE IS HOMEWORK.** To get the most out of the program you will need to pick a color off the 12-color wheel. You will need pieces between 2-3 inches. You should have brights, dull, darks, lights anything in your color family. I hope you get a little more confident in picking colors from this program.

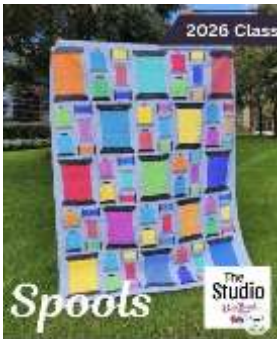

In November have a trunk show and a class by Dayspring designs. **See page 5 for picture of class project and page 6 for registration.**

If the interest in our classes does not improve, we may not be able to offer them as it gets pricey to have classes. So, consider taking a class or two.

October is color theory with Carol Oldroyd

November, we look forward to hosting Dayspring Designs

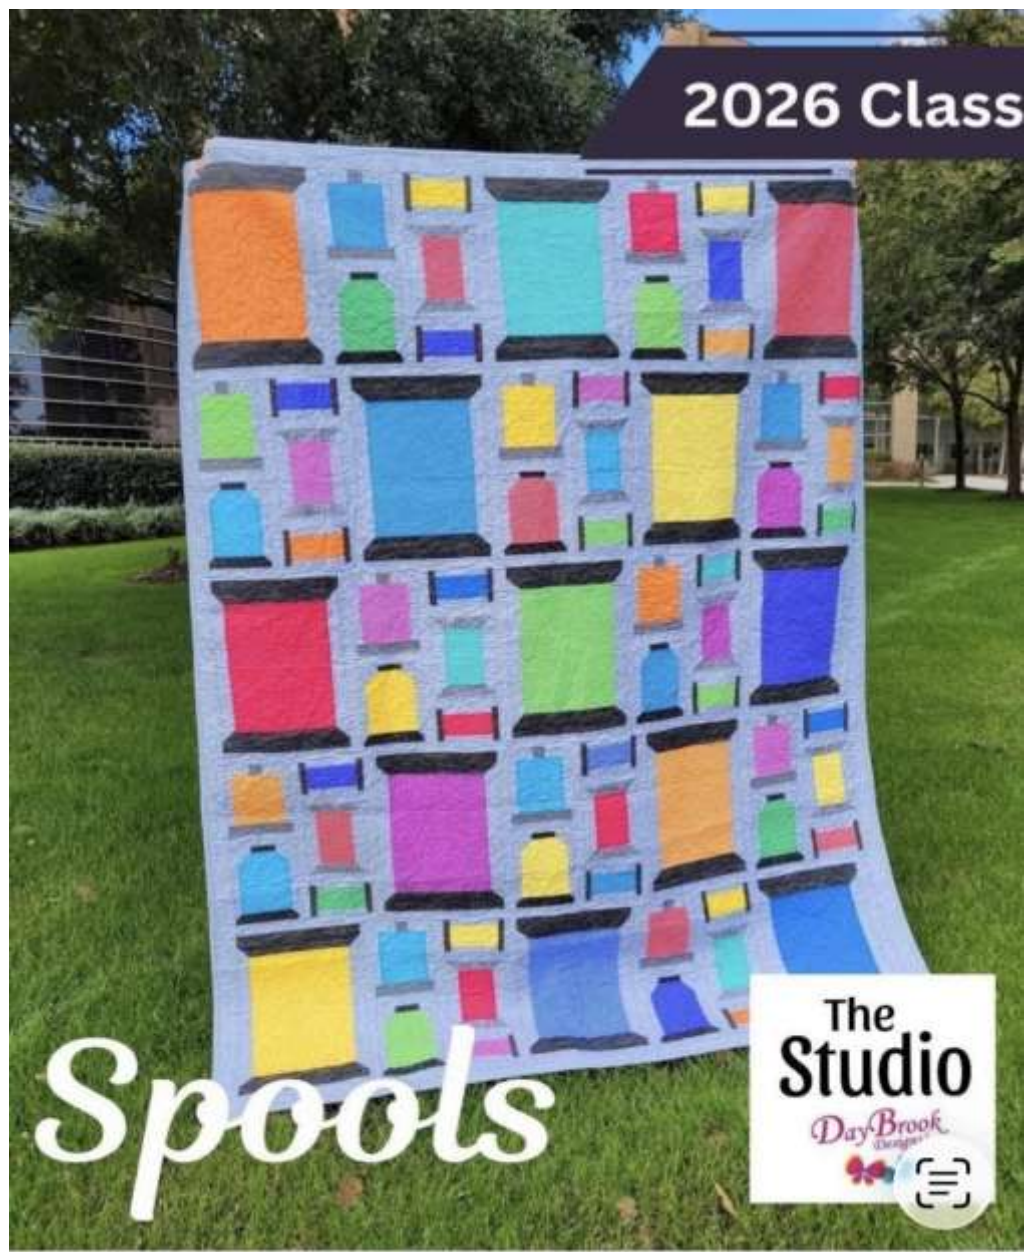

December is the Holiday party
