President's Message

So I was hoping this trick-or-treat month we would get a treat but no it's more like a trick month. Building is open for events but not for groups yet. My guess is the events are charged a cleaning fee.

Even though we have not had a meeting in 8 months we have met or surpassed our charity numbers as far as quilts and pillowcases. You all have such a giving heart. Thank you so much to all who have given of their time and fabric.

I know there are a lot of shows and classes that are going on all over the net. If you know of a show or a class please let us know so we can get the word out. We need to support them as much as we can. I know Quiltcom is completely online. You can check out the class list. Some of the classes may be full. This may be the only way we can partake in a show for a while.

Hope everyone has a great October. Here's hoping we met again soon.
