Sandy Fitzpatrick

Hissyfitz Designs

Sandy is an appliqué quilt pattern designer whose goal is to get as many of the quirky designs that are spinning around in her head, down on paper for you to enjoy! Her fusible appliqué patterns are full of whimsy and will certainly bring a smile to your face. Sandy strives to make her full-sized patterns easy to follow and fun to make. Her classes, which focus on machine appliqué, free-motion quilting, floor cloths and art quilts, are equally fun!

Having lived in many places as she and her husband moved around with the Air Force, Sandy currently lives in Cary, North Carolina. Her lectures and workshops are always an informative, fun experience.

On Monday Sandy will present a lecture "Why Didn't I Think of That?" and on Tuesday she will teach a class on Machine Appliqué. Everyone will be doing something different so this promises to be lots of fun.

President's Message

Hello Everyone:

Well, it's starting to look like fall has arrived! I can tell because I see pumpkins and fall decorations on porches and doors! The temps are not exactly cooperating, but it should happen soon!

First, I'd like to ask for some donations of quilt items for the gift basket we will donate to Quilters of South Carolina. Some ideas might be: pin cushions, books, fat quarters, patterns and notions. Anything you can contribute will be greatly appreciated.

Next, we have nice guest/teacher coming this month. Sandy Fitzpatrick from Hissyfitz Designs! Monday, she will entertain us with her lecture "Why Didn't I think of That?" On Tuesday Sandy will be teaching her class. There are still openings so please see DJ if you wish to sign up. The patterns are really cute and you could finish one as a Christmas gift.

Kathy Aparicio

November 18th Meeting - The focus of this meeting will be on Quilt As You Go. We will have 4 QAYG Quilters set up around the room and you will pick up tips and tricks from each. This promises to be interesting and informative. There will be time in the afternoon for you to practice what you've learned in the morning.

Fall Challenge - Make a quilt depicting something from the state you're from. It can be the state flower, state bird, state colors, state tree — you get the idea. It could also be all of the above. Size is up to you: pillow, table topper, table runner, lap quilt, tote bag. Just pin a note on it indicating which state it is. State quilts are due at the December meeting. There will be voting and prizes. Have fun with this.
