March 18th Program

Mary Kerr will be presenting the program this month. In her bio, Mary says, "I am an American Quilt Society certified appraiser and an award-winning quilter. I grew up in a family of quilters and have been teaching since 1987. I currently lecture and conduct workshops that focus on quilt history and the preservation of antique textiles. My recent work marries my love of all things vintage with the freedom of expression that is encouraged in our Art Quilt community."

Mary's lecture will be based on her book *Twisted*.

In the afternoon she will be available to appraise quilts.

Written appraisals are necessary for insurance coverage of all quilted textiles. Written appraisals are \$75 each and verbal appraisals are \$25. This is a reasonable price because appraisals often cost a lot more. If you are interested in having a quilt appraised, please contact DJ Stultz to sign up. You will pay Mary directly but we need to know how many to expect.

President's Message

Hello Ladies and Gentlemen —

Looks as though we may finally be welcoming spring! The only sad part of spring arriving is many of the people we call snowbirds will be getting ready to fly north. It will be many months before they return. Whatever your day of departure, we wish you safe travels, and just know you will be missed.

First, I'd like to thank Judy Lilly and Kathy Stuart for a really fun technique and project last month! I hope the ladies that made a project will bring it in for show and tell.

On Thursday, March 14, Brunswick Quilters will be hosting Meet The Quilters with Kelly Ashton. The meeting will be held at the recreation center on Gabreski Lane, in Market Common. An email was sent with a list of who signed up and paid for this event. Please share a ride or carpool as there will be many, many cars and the more cars the harder it will be to park.

On Monday, March 18, we will have our general meeting and we will be hosting Mary Kerr! I attended the quilt show in Hampton Roads, Virginia last week and Mary had a special display of her beautiful quilts. Once you see these quilts you will want to take the class, Twist and Shout, that is being offered on Tuesday, the 19th. There are still some openings in the class so ladies, bring your checkbook. The workshop application is included in this newsletter. If you have questions, see DJ or Jerre Reese.

Lastly, I will not be at this month's meeting as I will be giving my daughter a hand in New Jersey. Our very own Joann Shropshire will be running the meeting in my absence. Please give her your undivided attention, enjoy our guest, Mary Kerr, and I'll see you next month.

Kathy Aparicio

Notes from Jerre

To-Do List

- * Wear your name tag
- * If you haven't gotten your 2019 parking pass, get it, please.
- * Carpool! Don't park in front of the mailboxes.
- * Bring Show and Tell and a smile for everyone.

March 19th Class - On Tuesday, March 19, Mary Kerr will be teaching a class called Twist and Shout. This is a method that utilizes fragments of quilts or orphan blocks. Mary focuses on antique blocks but if you just want to learn the technique, you could showcase orphan blocks that need a home. If you want to use antique blocks but don't have any, Mary will have kits for sale that have everything you need. The class is \$40 and there are several openings. Contact DJ Stultz for more information - 843-455-4904. A registration form is on the last page of this newsletter.

April 15th Program - Joanne Shropshire will be presenting a program entitled, "The Stars Among Us," that will feature quilters who do wonderful, interesting work but don't often display it in Show and Tell. I'm sure you will find their work interesting and creative. This promises to become a yearly feature since we have so many talented quilters in our Guild.

In the afternoon Jerre Reese will offer a beginner level Hand Appliqué class. Jerre does needle-turn hand appliqué because she's found it to be the fastest, most hassle-free way to work. Rather than doing a project, you will learn techniques for straight lines, curves, sharp points and really skinny stems. A kit will be provided and is included in the \$15 class fee so all you need to bring is scissors and a thimble (if you prefer to use one). The class application is included in this newsletter. If you have questions about the class, contact Jerre, 843-215-4189. To sign up, mail the form with your check to DJ Stultz, 7992 Leeward Lane, Murrells Inlet, SC 29576.

Coming Attractions:

In **May**, Karen Bennett will present a program featuring Bargello Quilts. On the 21st she will teach an all-day class on Bargello. More details next month.

In **June** we will be presenting a Machine Quilting Extravaganza. Be prepared to improve your machine quilting skills.

This garment was displayed at the quilt Gala last month and Jan McGinty has provided more of it's history.

We originally thought this garment, donated by Helen Miller, was an early name tag uniform used by volunteers for the Quilt Gala. The following information from Helen gives a different story.

From Helen - "All of us in the guild made them. We did a lot of demo's for the public - different farms, festivals, libraries, the mall, museums, etc."

As the Historian for CCQ, I strongly recommend textiles not be saved in our archives. Therefore, this garment will be placed on the free table at our March meeting. It is a lovely, well-made, garment showing the original CCQ name badge. I have been advised it is no longer wanted by Helen Miller.

IN MEMORY

We are sad to learn that long-time CCQ member, Betty Sypniewski, passed away last week. She was admitted to the hospital with a cold and bronchitis just a few days prior to her passing.

Betty was 95 years young and, if not the oldest, she was probably one of our oldest members.

No details on funeral arrangements as yet.

Betty's address is:

106 Purple Martin Dr.
Murrells Inlet, SC 29576

TWIST AND SHOUT

This fast paced workshop encourages participants to showcase vintage quilt top fragments into a contemporary quilt. Vintage blocks are set with a twisted template into an exciting new setting. Students are encouraged to bring their own vintage blocks and fragments or they may purchase a kit of their choice in class. (\$30.00) Finished sizes will vary.

HAND APPLIQUÉ

Jerre Reese

Have you ever wanted to improve your hand sewing/appliqué skills? This is the class for you. The class is not project oriented so you won't have another project to feel guilty about not finishing. We will work on skills which you can apply to any hand project you may want to do. A kit will be provided which includes everything you need except for a scissors and a thimble (if you use one). We will learn how to do an invisible stitch, manage sharp points---both innie and outie --- and really skinny stems. If time permits we will also do smooth circles.

DATE: Monday, April 15, 2019

TIME: After lunch til 4:00 pm

PLACE: Oceanside Village Community Center

CLASS SIZE: 20 students

CORRECTIONPRICE: **\$15.00**-----INCLUDES \$5.00 kit fee
