These are a few of the quilts that fellow guild members created and generously donated to our charities.

## President's Message

No meeting this month as the rec center is not open to public due to bike weeks.

I would like to thank Karen for running the meeting last month. When you live at the beach you never know when family will visit.

I am looking forward to June's meeting and class. It seems like such a long time since we have been able to offer this to the guild. On the subject of speakers, if you have any suggestions please let us know so we can look into it. Even if it is just a technique you want to know more about.

Everyone have a great Memorial Day and be safe as tourists season starts.

See you all in June.  
Joanne Shropshire

## **PROGRAM NOTES FROM JERRE**

Our guest speaker at the June meeting will be Carolyn Ratola. Carolyn is a Certified Instructor with Deb Tucker's Studio 180 Design. She has been quilting since 1991 and for the last 10 years has been teaching classes using the Deb Tucker tools and patterns. She has been a certified Deb Tucker instructor since 2016.

Carolyn will be presenting a lecture/trunk show that shows the rulers/tools and the units, blocks and quilts that can be made using them.

We are looking forward to her lecture----our first guest teacher in over a year. Come join us.

## **Charity Project News**

Many thanks to all the members that responded so generously last month to our plea to take kits and quilts home to sew. Remember, all the instructions to complete the baby kits can be found on our website.

In order for us to be ready for our July and August workshops, we need all the kits completed and returned at our June meeting. Any questions, please contact Margo Woolard via email at [cdwool31@frontier.com](mailto:cdwool31@frontier.com) or call 843-655-4826.

We were able to give several more quilts to Fostering Hope and Family Outreach of Horry County. In addition, 26 pet beds were taken to the Humane Society of North Myrtle Beach last week.
