September 21, 2026 CCQ Charity News

Panel Challenge: Time is up! We had over 20 people take a panel in June and now it's time for the big reveal!! We can't wait to see all the beautiful and creative quilts you've made. Please be sure to have the CCQ label sewn on. When you drop your quilt off, please write your name on a slip of paper and put it in the basket. You may win a gift certificate from a local quilt shop. Oh goodie...more fabric!

Thanks to all that attended our summer workshops. Once again, they were a big success. We couldn't do it without all the outstanding help.

Donations: We sent 24 beautiful quilts to Fostering Hope last month. Thanks to Joyce Jaret for making that delivery for us.

And we're having an extra special treat this month, Jill Haynes will be making root beer floats for us. Yum!! Just a little thank you from Jill for all that we do for Fostering Hope.

Bead Bag Kits: Typically, we donate 300 bead bags each year to MUSC Children's Hospital in November. We needed another 100 bead bags made to make our quota for this year. Last month Cathy Story bought the kits and Louisa Jordan peddled them...actually more like thrust them upon us!! Good work Louisa!! If you were good sport and took a kit home, please return your completed bead bags this month. We need them back asap, the bottoms need to be serged and cording added. I have already received 30 completed bags...thank you those and keep them coming!

Pillowcase Kits: If you took home some holiday pillowcase kits to finish, please return them to Joanne this month. Thank You!

3-Yard Quilts: 3-Yard quilts are a great way to use up your stash. They're fast, fun and easy to make. However, having said that, if you're making a 3-yard quilt to donate to charity we have an issue with the patterns that use a 1.5" outer border. Such a small border causes a problem for the longarmers or whomever must square up the quilt after it's quilted. That small of an outer border leaves very little margin for error when trimming the quilt. **The simple solution is to choose a pattern with a larger outer border or add an additional border to make the top larger for an older child. Also, we don't use the 1.5" single bindings.** You can keep those or use that yardage to cut the border larger. **We use double bindings on all the charity quilts cut 2 1/2" or 2 1/4".** If you have any questions regarding the 3-Yard quilts please feel free to contact me at cdwool31@frontier.com or call/text 843-655-4826.

Quilters Needed: We need longarmers and domestic machine quilters badly. We have oodles of quilts ready to quilt. Fostering Hope has so many kids going into care, please help us and take quilts home to finish. Thanks for all you do, your support is greatly appreciated!
